L&S Waste Management are the areas leading provider of waste collection and recycling services. Over 80% of the waste we collect is recycled and reprocessed at our plants in Portsmouth and Southampton.

L&S provide a comprehensive range of traditional builders skips, roll on off containers, grab loaders, commercial wheelie bins and storage containers. We also provide a full range of popular aggregates and quality screened soils delivered loose or in 'bumper bags'.

We are open for business from 0700 to 1800 Monday to Friday and 0700 until 1400 on Saturdays. Our service area extends from Littlehampton to the New Forest and north towards Salisbury, Winchester, Farnham, Haslemere and Petworth. We can also provide waste containers on a national basis if required.
