

FAST, SAFE & RELIABLE CONCRETE SERVICE FROM L&S CONCRETE

Get quality concrete exactly when and where you need it with L&S Concrete.

Our compact Concrete City Pump combines with L&S' Volumetric batch plant to mix and pump any amount of concrete to your site.

INCLUDING:

- Fresh, quality concrete to various mix designs
- Largest fleet of volumetric mobile batching plants in the South
- Trade and domestic customers
- Reach hard to access sites with no hassle
- Pump up to 100m to site and up to 30m³ per hour

To find out more or for a quotation please call our sales team on 01329 840000 or email info@lswaste.co.uk
